

## TECHNICAL PUBLICATIONS FROM 'AWICS' SCOTLAND

The 'All You Want to Know about' series is a set of useful introductions and companions to the complex and important subjects that they address, written by Adrian Waite. They are designed for people who are not experts in these fields, but who need to understand the basics and achieve an overview of what is going on. They are suitable for non-financial managers, elected members, tenant and resident representatives, board members and finance staff who have limited experience of the public sector finance and others who realise that an understanding of public sector finance can place them at an advantage!

### What the books Cover...

**'All You Want to Know about Scottish Social Housing Finance 2016'** - This guide is designed for people who are not experts in housing finance, but who need to understand the basics and achieve an overview of what is going on in Scotland. It is suitable for housing managers, tenant representatives, councillors, board members and finance staff who have limited experience of social housing finance and others who realise that an understanding of social housing finance can place them at an advantage! 100 pages Published 2016

**'All You Want to Know about Local Authority Finance in Scotland'** - This guide is designed for people who are not experts in local authority finance in Scotland, but who need to understand the basics and achieve an overview of what is going on. It is suitable for managers, councillors and finance staff who have limited or no experience of local authority finance and others who realise that an understanding of local authority finance can place them at an advantage! 96 pages. Published in 2008.

**'Developments in Social Housing Finance in Scotland'** – The Implications of the Green Paper' - This book examines the implications of the Scottish Housing Green Paper and other proposals for Scottish Local Authorities and Scottish Housing Associations. It includes reference to the reform of Housing Association Grant and the introduction of Arms Length Management Organisations. In this book it is assumed that the reader has some knowledge of the financial framework of local authorities and housing. 100 pages. Published in 2007.

## Other Technical Publications

These publications are relevant to all parts of the United Kingdom including Scotland

**'Budgets and Financial Management in the Public Sector for Non-Financial People 2009'** – This book is intended for those who know little about budgets and financial management in the public sector but who want to gain an overview of the subject. It is suitable for Councillors and Board Members, Non Financial Managers and people who are new finance in central and local government, housing association and other public bodies. It considers the elements of a good financial management system, how to prepare budgets, how to carry out effective budgetary control and financial management system, how to prepare budgets, how to carry out effective budgetary control and the links between budgets, policy and achieving value for money. 108 pages. Published in 2009.

**'All You Want to Know About Service Charges in Social Housing'** - This book is designed to give an introduction and overview to service charges in social housing and is fully up to date with all developments. Service charges are an integral part of landlords' work in financing value for money services and sustaining customer satisfaction. They have always been relatively complex but with landlords, leaseholders and tenants facing increased financial challenges and with increased legal complexity there is an increased need to understand how service charging works. This book is presented mainly from a financial point of view and is designed for people who are not experts in service charges, but who need to understand the basics and achieve an overview of what is going on. 100 pages. Published in 2016

**‘Welfare Reform 2015: The Implications for Housing and Local Government’** - This book looks in detail at the Government’s controversial welfare reforms and their implications for claimants, social landlords, local authorities and the public finances in all the nations of the United Kingdom. The Government was elected on a commitment to reduce expenditure on welfare by £12billion. Its detailed proposals for doing this were announced in the Budget of July 2015. It has also introduced the Welfare Reform and Work Bill. It should be of interest to all those with an interest in the welfare reforms including councillors and officers of local authorities; board members and officers of housing associations; representatives of tenants and claimants; staff of voluntary bodies; academics; lawyers and civil servants. 100 pages. Published in 2015.

**‘Value for Money and Performance Management in Housing and Local Government 2013’** - This book looks in detail at how Housing Associations and Local Authorities can achieve improved Value for Money and effective Performance Management in the context of the June 2013 Spending Review.

It addresses subjects including: The Political, Economic, Social and Technical Context; Value for Money obligations of Local Authorities and Housing Associations; the Concept of ‘Value for Money’; Procurement; Performance Management and Benchmarking; Service Transformation and Re-Engineering; Better Buys: Improving Housing Association Procurement; Systems thinking and the LEAN approach; Case Study: Impact Housing Association and ‘Transforming Impact’; and Final Thoughts.

85 pages. Published in 2013.
