

# TRANSFORMING SHEERWATER

## DEAR RESIDENT

### IMPORTANT DECISIONS ABOUT THE SHEERWATER REGENERATION PROJECT

I am writing to inform you that Council will be agreeing the next stages of the Sheerwater Regeneration Project when it meets on Thursday 13 February.

As you can see work is progressing well on the leisure facilities and first phase of residential housing. The next stage is agreeing the legal process for moving remaining tenants and home owners.

Once Council has agreed this, we will be writing to you individually over the next few weeks to let you know how this may affect you.

The vast majority of residents have already engaged with the Sheerwater Regeneration Housing Support Team at Parkview and are receiving help to move. If you haven't yet made contact, please take the opportunity to do so.
